HOME DEPARTMENT

R.C.No. 21[illegible]/C[illegible] Dated 15th June 1954.

Sir,

Sub: Criminal Justice - Mangalore North Station Cr.No. 59/53 - Section 120 B read with Section 409 IPC. Section 409, 467 and 471 I.P.C. - appointment of a Special Magistrate and a Special Public Prosecutor for trial of the case - requested.

I send herewith a copy of report R.C.No. C/7315/54 dated 13.5.54 from the District Superintendent of Police, South Kanara and a copy of endorsement C.No. 2127 Genl/54 dated 4.6.54 of the Deputy Inspector-General of Police, Western Range thereon. In the circumstances stated in paragraph 5 of his report, the District Superintendent of Police has requested the appointment of a Special Second Class Magistrate and a Special Assistant Public Prosecutor II for a period of 3 months or until the trial of the case is over, whichever is earlier. The District Superintendent of Police has discussed the matter with the District Magistrate, South Kanara and that he (District Magistrate) is agreeable for the appointment of a special IInd class Magistrate and a special Assistant Public Prosecutor II. I consider that the appointment of a special IInd class Magistrate and a Special Assistant Public Prosecutor II is necessary to try this case. I therefore request the Government to appoint a special IInd class Magistrate and a special Assistant Public Prosecutor II for a period of 3 months or until the trial of the case is over, whichever is earlier.

Copy of letter R.C.No. C/7315/54 dated 1.5.54 from the District Superintendent of Police, South Kanara to the Inspector-General of Police, Madras.

Sub: Criminal Justice - Mangalore North station Crime No.59/53 - Section 120-B read with Sec. 409 I.P.C., Sec. 409 I.P.C., 467 I.P.C. and Sec. 471 I.P.C. - appointment of a Special Magistrate for trial of the case and also a Special Public Prosecutor - report - forwarded.

A case of misappropriation of the funds of the Mogaveera Cooperative Society detected during the enquiry under section 38 of the M.C.S. Act by the Cooperative Sub Registrar working under the Asst. Director of Fisheries, Mangalore was handed over to the Police on 24.3.53.

2. This case was registered as Crime.No. 59/53 of Mangalore North Station and investigated. It was disclosed during investigation that a sum of Rs. 12,450/- of the Society was misappropriated by the President, one Sri K.N. Putran (A1) and the two clerks of the Society viz. Kumari Savithri (A2) and K. Ammanna Bangera (A3) Ex. Secretary one Narayana Salian (A4) and one Laxmana Suvarna (A5) a director and an ex-officio treasurer of the Society (Regd. No. L.455). These accused committed criminal breach of trust in respect of the monies belonging to the Society held by A1 as President and Treasurer of the Society in trust for the society and thus A1 to A5 engaged themselves in a criminal conspiracy and committed an offence u/s 120-B I.P.C. read with Sec. 409 I.P.C. and 109 I.P.C.

3. The facts of the case are, the President Sri K.N. Putran was in charge of the cash of the society and he issued loans to the members. The clerks A1 and A2 wrote up the accounts when loans were sanctioned and issued and the resolutions were written up in the minute book, themselves and prepared the loan applications, bonds and receipts for the amounts disbursed. Each loan has three parties i.e., the principal borrower and two other sureties. During enquiry u/s 38 M.C.S. Act the parties in 38 loans aggregating Rs. 12,450/- denied all knowledge of the amount alleged to have been borrowed by them. The thumb impressions and signatures found in the loan applications, bonds and receipts were found to be bogus. Both the clerks A2 and A3 had admitted that they had put their own thumb impressions in a few bonds and brought up forged documents under the instructions from the President (K.N. Putran A1). The other directors, numbering five, deposed that no meetings were actually held but the President used to get their signatures and thumb impressions whenever they visited the society. They even denied some of the signatures and thumb impressions above the proceedings sanctioning these bogus loans.

4. The President (A1) had given written statement before the Sub-Registrar saying that a sum of Rs. 11,075/- in 37 loans has been utilised by him and that he would make good the amount but he never paid it. When Police took up investigation, this arch accused absconded and he was arrested by Mangalore Police from Bombay on 30.11.53. The loan applications, the bonds, and the debit slips which were forged by A1 to A5 for drawing themoney together with the specimen thumb impressions of the accused were sent to the Finger Print Bureau, Vellore for comparison and the forgery has been clearly established.

5. The final charge sheet was laid in this case on 7.4.54. There are about 83 P.Ws. cited in the charge sheet. There are nearly 200 exhibits to be filed on behalf of the prosecution. There is a charge of criminal conspiracy against all the 5 accused in this case. The amount involved in this case is a public money to the tune of Rs. 12,450/-. Intelligent and careful handling of the case is absolutely necessary in the best interests of the case. The S.D.M. Mangalore may not be able to proceed with the case day-to-day as he has other cases on his file. The exhibits are likely to be mixed with other records in the S.D.M.'s Court.

6. Under the circumstances explained herein a Special Court and a Special Prosecutor may be quite essential for the speedy enquiry and disposal of this case. I therefore request you kindly to move the Government for the appointment of a Special II Class Magistrate and a Special Public Prosecutor for a period of 3 months or until the trial of this case is over whichever is earlier.

C.No.2127/Genl/54 dated 4.6.54.

Forwarded to the Inspector-General of Police, Madras.

2. Though the District Magistrate has not offered any remarks, the D's letter - copy of which is enclosed indicates his concurrence.

I recommend that the Govt. be moved for the appointment of a Special II class Magistrate and a Special A.P.P.II for this case.

Rc.No.3148/C1/54,dated 31st July 1954.

Sir,

Sub: Criminal Justice - Mulky Station Cr.No.120/50 under section 120-B,302 and 201 I.P.C. - Accused A.J.Peris and others - Hostile approver - Appointment of Special Magistrate and Special Public Prosecutor - Requested.

Ref: My letter Rc.No.2158/C1/54,dated 15.6.54.

I enclose for the information of the Government copies of reports No.C1.1729/51, dated 25.6.1954 from the Superintendent of Police, Crime Branch, C.I.D.,Madras and No.M.L.Dis.4388/54,dated 14.7.1954 from the Additional District Magistrate(I),South Kanara on the above subject. Both of them are of the opinion that the case against Albert Petro,now on the file of the Stationary Sub Magistrate,Mangalore, should be tried by a Special Magistrate, and I agree with them.

2. In this connection, I invite the attention of the Government to my letter Rc.No.2158/C1/54, dated 15.6.1954 in which, I have requested the Government for the appointment of a Special Second Class Magistrate and a Special Assistant Public Prosecutor II for a period of 3 months to try the case in Cr.No.59/53 under section 120-B.read with Section 409 I.P.C. of Mangalore North Station.

I request that this Special Court to be sanctioned for the trial of the case in Cr.No.59/53 may also be empowered to try the case against Albert Petro and the same Assistant Public Prosecutor asked to conduct this case.

Letter C.I. 1729/51, dated 25.6.1954 from the Superintendent of Police, Crime & X Branch, C.I.D.,Madras to the Inspector-General of Police,Madras.

Sub: Criminal Justice - Mulky station Cr.No.120/50 under section 120-B,302 and 201 I.P.C. - Accused A.J.Peris and other - Hostile approver - appointment of Special Magistrate and Special Prosecuter - Requested.

Three of the accused in the above case have been sentenced to death and the sentences have been upheld by the Supreme Court of India. The mercy petitions filed by the accused have also been rejected by the State Government. They were forwarded to the Union Government without any recommendations.

2. The fourthaccused Albert Patrol, who first turned to be an approver and later turned hostile, is now charged for the same offences before the Stationary Sub-Magistrate,Mangalore, in R.C. 10 of 1952.

3. The case is a very complicated and sensational one with a large volume of circumstantial evidence and scientific details. As many as 80 Prosecution witnesses from all parts of India are to be examined in the preliminary enquiry. The Public Prosecutor has to study the whole set of evidence carefully and understand the scientific details which are of utmost importance and present them all to the Court in a lucid manner. If the case is to be conducted before a Stationary Sub-Magistrate's Court in the ordinary way it will take not less than six months for the completion of the enquiry. Further the execution of the accused in the main case mentioned above is stayed till the disposal of this case as they are all cited as defence witnesses.

4. I, therefore request that the State Government may please be moved through the District Magistrate for the sanction of a Special Magistrate with Second Class powers and a Special Assistant Public Prosecutor of Grade I to conduct the prosecution for a period of three months to enable a speedy disposal of the case.

5. In this connection, I would like to mention that the District Superintendent of Police, South Kanara, has requested the Government for a similar sanction to try one of his cases.If feasible the same Magistrate and the Assistant Public Prosecutor may be empowered to take up this enquiry as well.

Letter No.M.L.Dis.4388/54,dated 14.7.54 from the Additional District Magistrate(I) South Kanara to the Inspector-General of Police,Madras.

Sub: Criminal Justice :Mulky station crime No.120/50 under section 120 B,302 and 201 I.P.C. - Accused A.J.Peris and others - Hostile approver Albert Petro - appointment of special magistrate and special prosecutor:

Ref: 1.Your R.C.No.3148/C1/54,dated 9.7.1954.
2. G.O.Ms.3189, Home,dated 9.8.1951.
3. G.O.Ms.4714, Home,dated 7.12.1951.

R.C.No.10/52 on the file of the Stationary Sub Magistrate Mangalore is a case against accused Albert Petro Hostile approver in Rc.No.1/51 for an offence under sectio 120 B,302 and 201 I.P.C. A special court consisting of one SubMagistrate one L.D.C.one attender and two peons was sanctioned by the Government for a total period of three months for the conduct of preliminary enquiry in crime No.120/50 against the three accused. An Assistant Public Prosecutor of Grade II was also appointed to conduct prosecution in the committal court. This special court functioned for a period of 3 months.

2. As the facts in the present case are identical and the number of witnesses, material objects and exihibits will be more or less same, I am of opinion that the Sub Magistrate,Mangalore may not be in a position to conduct the enquiry from day to day in the midst of his other cases. Besides the three accused who were condemned to death are also cited as defence witnesses in the present case and the Government have permitted them to appear before the court of enquiry and their execution is also stayed till the disposal of this case. In these circumstances the case has to be disposed of expeditiously. A special court is therefore necessary to try the case as was done previously. I therefore request you to move the Government to sanction a special court consisting of one Stationary Sub Magistrate, one L.D.C. one attender and 2 peons and an A.P.P. II for a period of three months.

3. With reference to the last paragraph of the letter of the Superintendent of Police Crime and X Branch, C.I.D.,Madras I invite your attention to my endorsement Ref.C.No.2955/54.C3.dated 28.5.1954 wherein the proposals of the D,S.P. South Kanara for constituting a special court for the trial of thecase in crime No.59/53 of the Mangalore North station was forwarded to you. If there are any proppects of a court being sanctioned, I have no objection to lay on the case against Albert Petro to that court. If there is no likelihood of a special court being sanctioned on the report of the D.S.P. South Kanara I recommend that a special court and an A.P.P.II may be proposed for the conduct of enquiries in this case referred to by the Superintendent, C.I.D.,Madras.

The charge in this case is one under sections 120B read with sections 409 and 109 I.P.C., and such cases are generally complicated ones. Moreover there are about 83 P.Ws. and there may be about 200 exhibits to be filed on behalf of the prosecution. The case relates to the jurisdiction of the Sub Magistrate (Judicial) Mangalore, whose file is sufficiently heavy at present. He cannot without detriment to the trial of other cases in his court, attend to this case. Further this case is one in which day to day enquiry will be the most suitable arrangement since there are a number of witnesses and exhibits.

2. I therefore think that it is highly expedient to have a separate court to try this case. I agree with the District Superintendent of Police, South Kanara that a Special II Class Magistrate sitting at Mangalore may be appointed to try this case.

3. The following staff may be required for the special Magistrate's Court, apart from a special Assistant Public Prosecutor II, for a period of about 3 months.

(a) One Sub Magistrate (Judl) on a scale of Rs.200-10-300.
(b) One lower division clerk on a scale of Rs.45-3-60-2-90.
(c) One attender on a scale of Rs.24-1-32-½A-35.
(d) Two peons on a scale of Rs.18-1-25.

4. The special staff may be sanctioned for three months or until the necessity ceases, whichever is earlier.

5. The Special Court may be ~~di~~ ordered to be held in the Court hall of the Tahsildar of Mangalore taluk and a room in Assistant Public Prosecutor's (I) office may be made available for the staff of the special magistrate.

The case in Cr.No.120/53 of Mulky Station against the hostile approver is now on the file of the Sub Magistrate, Buntwal and he is now proceeding with the enquiry into the case. He has also been permitted to hold his court at Mangalore for two days in a week, to examine the witnesses coming from distant places and the enquiry will be complete within a period of about a month or six weeks.

2. As regards the other case in Cr.No.59/53 of Mangalore North Station, I have, in this court reference L.Dis.22/54 dated 20.7.54, already recommended the sanction of an additional Sub Magistrate to try the case and the same has been recommended by the High Court to the Government for sanction. If this special Court is sanctioned, the same Magistrate will be asked to hold the enquiry in the first case referred to above. Thus there is no need to sanction a special court to try the approver's case in question.
